i think i'm more than hot tristan

Hot, yeah that's what they say about me. I'm always moaning and groaning, even when giving a blow job. Guys tell me they like the faces I make when getting fucked, but they are only natural. I've tried to be more quiet but that doesn't work, so I just keep on moaning because it's a real turn on for me – and you.

BLAIR-NTS-03

BETTER THAN I DREAMED

I swore I was going to be a virgin the day I married. I swore there was no way I was going to have sex before my wedding night, and no way I would get married before I turned 19. But I broke those vows last Saturday night. And oh, god!—am I ever glad I did! I can't believe how much better it feels to fuck than to pet my pussy myself.

I think what happened is that when Justin touched me, he touched me in an absolutely perfect place. I mean, his fingers were bunched together and he pressed right on top of my clitty, and I thought I was going to scream out loud, it felt so good. That was the moment. That's when the vows washed away. It just felt too good in my clitty and my pussy. And it was as though my pussy could whisper to me and say if you think this feels good, wait till you feel Justin's hard thing up inside you!

From that moment, I never hesitated. I wanted Justin's thing inside me. I grabbed his crotch and started squeezing and stroking him. It's funny: Justin moaned, and that little puppy noise affected me like more touching down there. I pretty much tore his clothes off. Not that he minded. My pussy squeezed tight when I first saw his thing. It seemed so dark, and...well, it doesn't matter what I thought, because the only thing that matters is what I felt. And what I felt was that I was going to die if I didn't get him up inside me. My pussy was going crazy, begging me, demanding to feel Justin pushing into me and rubbing all the places that were just going crazy to be rubbed.

Justin got on his knees between my legs and used his hand to guide himself to my opening. I don't know how he knew, but he got the exact right spot. The dome on the end of his hard-on was all hot and felt velvety where it touched the outside of my pussy. I was so hot, and my pussy wanted it so bad, that I forgot all my worries about whether it would hurt. My pussy was insisting that it was going to feel good!

Justin pressed at the opening. It was like fire blazing up down there and rushing through my whole body. All the excitement I had felt was suddenly doubled. Tripled. I was hotter and hornier than ever. Justin breathed hard, almost panting. He looked so sweet, with his hair sort of hanging forward and this really intent look on his face while he tried to guide himself into me.

When he pushed, the hot feelings got hotter. My pussy clenched and loosened, and felt all wet, like all my muscles were turning to jelly.

Justin made little bumping movements with the middle of his body like we were already making love, and the pressure got more and less and more and less, and just about made me scream again with how good it felt, and with how bad my pussy wanted to feel Justin up inside me.

Suddenly Justin gasped, "Oh, shit!" and moved hard against me, and I realized as he went stiff and groaned that he was climaxing. His stuff came squirting straight into the very outer part of my pussy. His thing moved against me, jumping, and the hot stuff squirted, and my pussy still wanted to feel him inside me, but I knew I wasn't going to. I'd never done it before,

but I'm not totally ignorant!

Except I was wrong! After Justin squirted all over the opening to my pussy, his thing stayed hard. And I guess maybe his stuff helped lubricate me. Anyhow, after a minute, he was pushing again, and I was humping up to meet him, and there was this weird moment that I can't describe, and then I knew Justin's hard thing was inside me! Oh, god, what a feeling!

I never had anything inside me but my finger, and believe me, a hard Justin is nothing like that! My muscles were all weak, and yet I felt like I could jump over the moon. Justin had to push and pull back and push about five times before the whole length of his hard thing would fit inside me, but when it was there, I was dying with happiness. I felt so close to him, but even more than that, I felt like I was going to fly into a million pieces and come and come and come. This was definitely better than petting my pussy in bed alone at night!

Justin made love to me, and every movement pulled my pussy tight and made my clitty tingle. I was so fired up that I felt myself getting ready to come before I even knew what was happening. I guess I was actually scratching Justin's poor bare back when I came, because I lost it totally. I was on fire, and Justin's thing inside me made the fire hotter and hotter. Justin came again, too, but I couldn't feel the stuff squirting inside me because I was coming so hard. My first time was so good I can't tell you, but the second time was even better. And now Justin is going to get some rubbers, and I'm going to lose count of how many times I've fucked! I can't wait!

PASSING THE TIME

Scarlet and Natalie have known each other since forever, and know each others' likes and dislikes. One thing they shared together was the love of fashion magazines. Natalie's mother subscribed to a lot of them and Natalie, out of curiosity, would take her favorite magazine to share with Scarlet. They especially liked the articles on sex and stories of romance and infidelity that permeated the issues. The readings always made them feel different. The sensation they felt that came from within made them wet their panties.

The beginning of the article was the same as most others they encountered. It started off with royalty, the parents setting a prince and woman up against their will, and sexual tensions leading up to the climax. As Natalie read aloud, a section with a princess thinking playfully about her prince came about. "This could get interesting." said Natalie. Scarlet continued listening to the tempting read.

Natalie kept on and read through the intimate section. Scarlet felt the sensation fill her again and she felt her labia moistening again. The lining of her cotton panties started to absorb her wetness, which made Scarlet feel quite uncomfortable.

The details in the woman in the magazine masturbating made Scarlet even hornier. "I have to go. I'm not feeling too good." she said. Natalie gave her a suspicious look, but allowed her the benefit of the doubt for actually being sick.

Scarlet and she were best friends, and figured she'd never lie about something like that.

As Scarlet furthered the charade of her sudden 'illness', Natalie gave her the magazine. Scarlet looked up with surprise, and Natalie jokingly replied, "To pass the time." Scarlet said her goodbye and acted as if she was still in pain until she reached her house across the street. She could barely wait to try the relief method the princess performed in the story. When entering inside, she saw her mom preparing dinner. Scarlet walked up the stairs and shut the door to her bedroom. She opened the magazine and found the right story and started off where Natalie left off.

She sensed more scenes like the previous nature were coming up, and Scarlet could tell. As she began a new one she decided it was the perfect time for action. She worked her right hand down her tight skinny jeans, and rubbed the soaked panties above her pink flesh. It didn't feel like much, but it was a start she thought, continuing with her probe. She felt her nub near her opening and she rubbed it to give her pleasure.

She pulled out her hand and put down the magazine. Then she pulled off her panties and jeans. She picked up the book and read on about the sexual acts taking place. Again feeling a great deal of horniness, she put her hand in between her pussy's folds, and spread her legs for easier access. She found and rubbed her sweet spots and rubbed all over for the release to happen. Scarlet put a finger in her tight hole and felt more of the lubricants she produced.

She brought her finger back up and decided to ravish the nub that gave her tingling all over. The intensity in her body quickly escalated and she had to put the magazine down. She took her free hand and used two fingers to give a better rub of her sweet spot. Scarlet's other finger traced circles around her clit which built a fire up inside her. She felt a greater force build up and without warning she moaned out loud. She could feel her heart start to pound inside her chest as she thought about the naughty texts she encountered.

She was rubbing harder and faster on her clit, abusing it. By instinct Scarlet knew this was part of what she was doing, but the feelings she gave herself overwhelmed her. She held her breath and kept rubbing. All of a sudden a mass amount of wetness succumbed between her legs. She rubbed faster and faster. The feelings too much she started lifting her ass off the bed. A sensual feel within her spread throughout her whole body and Scarlet felt the wave of her orgasm come on. She continued with her hands faster and felt the build up of pleasure radiate through her whole being.

Scarlet was in a state of bliss as the orgasm took control of her body. A sheer of sweat coated her, as her clit contracted from the welcoming touch of her fingers. Scarlet soon felt her orgasm die off, and crashed back on the bed. She was tired and still out of breath from the experience. She lay there, and replayed the marvelous moment over and over in her mind. She then drifted to sleep happily dreaming about her imaginary prince.

susana & erica pressing the silicone

Erica called me saying she wanted to come over and play. Since it's been raining for days and we both have cabin fever, I told her to come over. She lives two floors down so why did it take an hour to get here? Well, after she got here, I told her she needed to be punished with my play-cock. We stripped down, got in the tub and didn't waste any time getting it on!

That's very nice of you to say that I'm sexy. I never think of myself that way. I'm just a sweats and sneakers kinda girl. I wear baseball hats – go team – and eat fast food burgers. I have a fun sex life and I try to get as much as I can. Sex has to be a good time for me or it's not worth having. You know the saying: 'Like pizza, even bad sex is good?' That's not always true. a sorority invitation gets out of hand

I was a freshman at an out-of-state university. It was my first time away from home, and it was totally cool not having to live by anyone else's rules. Mom and Dad weren't around to tell me what time to come home, or whom I should be seeing. I came and went as I pleased, and went to class only when the mood hit me.

My roommate was totally with it. She was into the hottest sorority on campus, and she got me in, too. I didn't even have to do anything stupid for initiation. All I had to do was get invited to a party at the coolest fraternity on campus. And that was no sweat, since I had already been seeing a guy who belonged. The only catch was that I had to make the night especially memorable for the guy who got me in. He was supposed to take some pictures to prove that I had actually been there and done that.

So it was early when I met Scott at the house. He was helping Mike, one of the other frat boys, set up the keg, while his buddies, Keith and Patrick, set out some chips and dip. Scott handed me the first mug drawn from the keg, and I sat down on the couch. It wasn't long before he and the other three guys joined me. I was a little nervous, my heart pounding in my chest, as they squeezed in close to me on the couch. They guzzled beer from their mugs, and I did the same, just trying to chill a little. Then Scott's hand crept up under my blouse and he started kissing my neck.

I hadn't worn a bra, wanting tonight to be as easy as possible, so when he pushed my blouse up, my bare breasts were exposed to his friends. My face turned red and my cheeks were hot. "Take it all off," Mike coaxed.

"Yeah, baby, why don't you stand up and strip for us? That would make the night totally unforgettable," Patrick suggested.

"Yeah, and your sorority sisters will be satisfied that you passed their little initiation," Scott whispered.

I had never done anything like this before. Truth be told, I was still a virgin, and I was more than a little scared. But I couldn't let them know that. I had to act like I was really experienced, like I had been around and knew exactly what I was doing.

"Sure, why not?" I agreed.

I stood up, just a little unsteady on my feet. They were staring at me, making me the center of attention, and that was causing a familiar tingle to shoot through me. I wanted to strip for them, make them want me.

I unbuttoned my blouse in time to the music, then slipped it off. They whistled and yelled as I unzipped my jeans. My head was spinning, but I couldn't stop. I inched my jeans down and let them fall to the floor. Hands caressed my naked body as I wiggled my ass and shook my breasts for them. We were all really enjoying ourselves.

Then I heard the unmistakable sound of zippers being yanked down. I wasn't surprised when a hard, hot cock rubbed against my thigh. Scott pulled me toward the couch, his cock stiff and the purple, plum-shaped head oozing.

I lay back, spreading my legs wide. Scott stood over me for a minute, and then I saw the flash of the camera and heard the click of the shutter. Someone was taking pictures of me—naked and exposed, my pussy dripping in anticipation. But I didn't care. I was loving it—and I was thrilled that

they all wanted me so badly.

Scott aimed his cock for my quivering pussy and drove it home in one powerful jab. It was totally awesome, feeling that hard poker sliding deep into my dripping pussy. He didn't stop for even a second, just began to ride me like a horny rodeo wrangler. The other guys circled around, holding their cocks in their hands and waiting impatiently for their turn to fuck me.

I bucked my hips, meeting each jab as my clit throbbed with excitement. It was like I was someone else, not the shy little girl I had been in high school. I even got the nerve to reach out and start feeling up the guys standing beside me. I handled their bloated balls like a pro, rolling and stroking the tender flesh.

"Harder. Faster," I coaxed, as I felt the heat spread slowly from between my thighs.

Scott eagerly complied, ramming his body harder and faster against mine. He was getting close. I could see it in his face, and I could feel his intensity, his overpowering need.

I closed my eyes as waves of pleasure rippled through me. My entire body trembled, and my pussy tightened repeatedly around his horny cock. I groaned and thrashed as his cock continued to tease me, bringing me quickly to a second climax. I had never known it could be so good, didn't know what I'd been missing.

Then his muscles tensed and his body shook. I felt his cock jerk and twitch inside me, his hot cream flooding my insides. He made one final powerful lunge, then collapsed on top of me. His lips mashed against mine, and his tongue dived into my mouth. His kiss was desperate, hungry.

I took a deep breath and readied myself for the oversized intruder. I could definitely feel the difference when Mike's thick poker nudged its way into my juicy pussy. Patrick was getting impatient as I groped his cock and balls. He decided he couldn't wait any longer. He got down on his knees right beside my head and rubbed his cock against my lips. His cock was longer and thicker than either Scott's or Mike's. I wasn't sure I could take it, no matter where he put it.

I hesitated for a second, then parted my lips and let the smooth, hot flesh slide onto my tongue. It was the most incredible feeling. I loved sucking cock, wanted to swallow up that pulsating piece of meat. I couldn't wait to feel him cum in my mouth, to taste his come for the first time.

The two cocks rammed in and out of my body in time to the music. Keith was standing close enough for me to give to his cock a couple of quick yanks while he waited for one of the others to get his rocks off.

I was in heaven, my head spinning. I didn't think I would ever feel this good again. Patrick's big, hairy balls slapped against my chin each time he rammed his cock into my mouth. His cock plunged deeper and deeper into my throat, almost making me gag. He pulled back for just a second, giving me time to catch my breath, then slammed back into me. I let his cock slide as deeply as possible into my throat, then swallowed around it. He fucked my mouth harder and faster. In no time, his cock was wiggling and jumping in my throat, and his hot cream was blasting my tonsils.

I swallowed again and again, milking his cock and at the same time trying not to drown in his huge load. Finally he let his cock slide out of my mouth. He brushed my hair back away from my

face as Mike's cock squirmed and thrashed inside me, depositing his load deep in my belly. His cream spewed into me, in one huge wad, then several smaller wads. He kept his cock buried deep inside me until it had quit jumping, then pulled out and stepped back.

"She's all yours," he said, gesturing to Keith.

I was nearly exhausted. But there was one more stud who needed to be satisfied. I stretched and then readied myself, waiting for him to move between my thighs. Instead he stood over me for a second, like he wasn't sure what he wanted to do.

"Roll over, sweet stuff. I'm not going to use that stretched pussy. I've got other plans."

My heart raced. I hadn't heard stories from any of my friends about taking it up the ass. But I was sure it wouldn't feel good. I hesitated, looking up into his hungry brown eyes. He looked like he had his mind made up, and I wasn't sure I was in any position to argue. So I rolled over and crawled into position, my ass-cheeks spread and my quivering sphincter exposed.

Somehow the flash of the camera made me feel a little better, a little braver. I readied myself for the oversized intruder, expecting the worst. Keith came up behind me and wrapped his arms around my waist to steady me. He rubbed his wet, sticky cock up and down my crack before aiming it for the tight hole in my center. He nudged against me, slowly stretching the tiny entrance to my body.

I groaned, then took several deep breaths. His fingers crept down to my wet slit, rubbing and teasing my sensitive bud, as his tool burrowed slowly into me. The sensation was strange, a mix of pleasure and pain as he filled my insides.

He stopped, letting me get used to the feel of his thick cock buried up my ass. Then he began to ride me—gently at first, with long, deep strokes. His fingers still played with my clit, bringing me closer and closer to climax. Then his pace shifted, and his strokes became short, quick jabs as he got more and more turned on.

Everyone looked on as his cock rammed in and out of my body. I wiggled and squirmed, pushing my ass back to meet each inward thrust. I wanted his cock buried balls-deep inside me. This was totally awesome. I knew I would come soon. My body was ready for the new sensations. I was hot, my body on fire. I couldn't hold back a second longer. I gave in to the most powerful, most incredible orgasm of my life. I nearly blacked out, I was so exhausted and overwhelmed.

Then Keith shot his load deep in my belly. I could feel his cock pulsating as each burst spewed into me. He kept his arms wrapped around me until he had finished coming, then let me go.

His cock slid from my stretched hole, leaving me empty and deserted. I dropped down on the couch, ready to sleep. Someone threw a blanket over me and they all disappeared.

When I woke, I was upstairs on a bed. I looked around, listening to the music and voices downstairs. The party was in full swing, and I had nearly missed it. I was pulling on my jeans and T-shirt when the door opened. Scott walked in, the other three guys following him.

I smiled, glad that they knew what a treasure they had discovered. I wanted to service them, then repeat the experience as often as possible. And the possibility of having a new class of studs next year made me even hotter!

hillary

this is not too obvious, is it?

As a woman, you have to be confident in your sexuality or you'll get trampled on. I may be young, but I love kinky sex. I'll do just about anything in any hole of mine. If there's a cock out there – and a toy, then I can really get off. Then I'll kick back with a warm totty and get ready to do it again.

amalia
young is fun

Looks can be deceiving. Especially in Amalia's case. She's beautiful. True. She's smart. True. She's a sweet girl. Not so true. She's a sweet girl with a dirty mind. She likes her sex long and hard. She expects it to last all day, because if she's giving her pussy and ass and wants it to be perfect.
